

Pioneer

Parade

Participation

The Moose Jaw SaskTel Pioneers participated in the Hometown Fair Parade again this year. Although, we didn't win a prize, we had excellent volunteer turnout and a lot of fun. We had 20 people help with the event and we logged over 135 hours!

The theme this year was "90 years of 4H" and thankfully we had Nancy Gray to share her expertise in that area. She provided us with a background into

4H and shared the motto and the pledge with us. Thank you, Nancy! To everyone who helped...we couldn't have done it without you. It truly was a group effort and all your efforts made the event a success, regardless of prize or not.

Here are some of the pictures during decorating and parading...
