

SaskTel / SaskTel Pioneers (Chapter #59) Partnership

As part of the formal partnership between SaskTel and SaskTel Pioneers the following Letter of Understanding between SaskTel and SaskTel Pioneers identifies the corporate policy on salvage as it relates to SaskTel Pioneers.

A. SaskTel Corporate Policy on Disposal of Salvage

- That the Pioneers be considered as a distribution vehicle for SaskTel to dispose of salvage computers, furniture, equipment, etc.
- That a formal agreement be established, with consideration for the collective agreement (i.e. contracting out of work), to determine what and how salvage is disposed of and how the proceeds from salvage will be shared between SaskTel and the SaskTel Pioneers.
- That a formal agreement be established on the handling, storage and disposal of historical telecommunications items and records.
