

To whom it may concern:

As Habitat will be building year round, we are seeking energetic volunteers or volunteer teams to come on board starting January 2010 and help change the lives of our community one family at a time. Habitat will be accepting Volunteers on Tuesdays, Wednesdays, Thursdays, Fridays and Saturdays each week with a maximum volunteer capacity of 7 per day. These days will be divided among groups and individuals. The volunteer day begins at 9am and finishes at 4:00pm except Wednesdays will be 9am to 1pm

If you are interested in volunteering kindly notify the office at 522-9700 x221.

Not able to volunteer. Why not sponsor a volunteer lunch? As volunteers put in countless hours to our homes, Habitat for Humanity Regina provides our volunteers with two coffee breaks and a lunch. Why not jump on board and prepare a lunch, or donate \$100 to cover the cost of one lunch. Tax receipts are available upon request.

Habitat is very grateful for you considering our request. We hope you will be involved and commit to 1 or many days through out the current year and in the years to come.

Kindest regards,

Amy Szalabayi

Habitat for Humanity Regina
