

## **Re-Igniting the “SPARK “of Fellowship**

**One of the key components to our success as Pioneers, has been the strong emphasis placed on Fellowship. For over 60 years our organization has grown and thrived on friendships created and solidified through participation in community based projects or provincial initiatives all guided by the advice and commitment given freely by our Life Members.**

**To celebrate the foundations created by generations of Life Members, and to ensure the spirit of fellowship remains strong and vibrant in the future the**
