

July 3, 2008

Dear SaskTel Pioneer Member,

The work being done by the TelecomPioneers in communities across Canada truly exemplifies the spirit and purpose of volunteerism. Whether it's providing teddy bears to children whose parents are serving in the armed forces, creating a green space out of an empty lot, helping create memorable camp experiences for physically challenged children, or volunteering at an international sporting event, Pioneer members freely give of their time and skills to help touch the lives of those around them.

SecurTek is very proud of our association with this volunteer organization. As such, we have put together a special program for members that we hope will help you continue the good work you do. There are two parts to the program:

- SecurTek will make a payment of \$50 to Chapter #59 for any Pioneer member who sends a referral to SecurTek from someone who is interested in our services, if the person(s) referred then signs up for SecurTek services. The Chapter will retain \$25 to help fund health and education related Pioneer projects. The remaining \$25 will be given back to the Pioneer member who made the referral.
- As well, if a Pioneer member signs up for SecurTek services, SecurTek will give the Chapter \$15 for each year the member retains service. (This offer is only applicable to Pioneer members.)

In order to help kick off the program, any Pioneer member who sends in a referral or signs up for SecurTek services before August 30<sup>th</sup>, 2008, will be eligible to win one of three prizes – a portable DVD player, a digital photo frame or a mini digital video camera! If you are already a Pioneer member and a SecurTek customer, please let us know by calling our Customer Care Centre at 1-877-777-7590 or by sending an email to [customer.care@securtek.sk.ca](mailto:customer.care@securtek.sk.ca).

A complete overview of the program, as well as information on how to send us a referral is included in this package. Once again, thank you for all the work that you do to help make our communities better places in which to live, work and play!

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Barry', with a long horizontal flourish extending to the right.

Barry Rogers  
President and COO
