Mr. Ian Howard
President, SaskTel Pioneers - Chapter #59

Dear Mr. Howard,

On behalf of the University of Regina Rams, I would like to thank the SaskTel Pioneers for the volunteer services provided to the University of Regina Rams/Rider 50/50 Initiative during the 2014 season. Your valuable assistance has helped the University of Regina Rams Football Club provide scholarships to eligible student-athletes as well as ensuring that our organization continues to operate a successful community-based program within the CIS and the tough Canada West conference.

Should your organization require any University of Regina Rams' items for use in your other fundraising initiatives, please contact me as we would be happy to assist in this area. Again, many thanks for your support and we look forward to working with the SaskTel Pioneers during the upcoming 2015 season.

Sincerely,

Dan Johnston
President
University of Regina Rams
