Dear Dawn,

Happy New Year! On behalf of The Circle Project Assoc. Inc. President, Bob Cantin, Council, Staff, and program participants, we sincerely thank you for the various binders that SaskTel Pioneers donated to our organization. With your kind support, we are able to accomplish our mission.

Our mission is to bridge the gaps between the Aboriginal and non-Aboriginal community by providing support and programs based on the Aboriginal vision of wholeness, balance and healing. We encourage people to help themselves through education, cultural awareness, family and community.

These binders will be put to good use by the student's of our Adult Education program, program participants of our other programs as well as employees of the Circle Project.

Once again, thank you.

Yours in the Spirit of Giving,

Ann Perry,
Director of Administration

"bridging the gaps in our community."
