

YOU WENT OVER THE EDGE!

AND

Easter Seals Drop Zone RAISED \$50,000 MANY THANKS!!

SECRET

QUINTAR

National Funding Sponsor

National Supporting Sponsor

On September 12 39 Superheroes rappelled down the side of the Carlton Tower with friends, family, and co-workers, gathered on the ground applauding and cheering their bravery.

With the assistance of volunteers from Boardwalk, Rental Communities, the SaskTel Pioneers, Climb 306, and the Saskatchewan Abilities Council staff, the event was a FANTASTIC success!

Rappellers were welcomed at the registration desk and provided information to help prepare them for the rappel. Once on the roof, superheroes were greeted by the training team from Climb 306 – our experts to help participants feel safe and comfortable. As the superheroes descended down the side of the building, Bill from Night Owl Entertainment took over and provided music and commentary for each rappeller.

It was a day filled with ANTICIPATION INSPIRATION and ADVENTURE!

All Superheroes and volunteers were invited to the post-drop party at Beily's later in the evening. It was a great atmosphere to reminisce and share the Drop Zone experience with others. Participants received a superhero survival kit and a framed picture donated by Stuart Kasdorf Photographics.

The top superhero fund raiser was **Elaine Bleie** who raised a grand total of **\$6,918.00**. In second place was **John Porter** with a total of **\$3,569.00**. Rounding out the top three was **Cecile Coppens** at **\$3,215.00**. Each received a gift package to recognize their extraordinary fund raising efforts.

THANK YOU participants, sponsors, and local media - your super heroic support of the Saskatoon Easter Seals Drop Zone will help Easter Seals Saskatchewan continue to serve children with disabilities in our province. Easter Seals Saskatchewan programs are offered and operated by the Saskatchewan Abilities Council.
