To Sask Tel Pioneers;

It is great appreciation that I write this letter to your organization. This morning I was brought a box of beautiful lap blankets for my residents here in Ile ala Crosse. We distributed them among all the residents that have to spend a majority of time in a wheel chairs or a broda chairs. On behalf of my residents, my staff and myself, we would like to thank you so much for your generosity and kindness. The work and the love that was put into these blankets will stay among us for a very long time.

Keep sharing your gifts they mean more then you will ever know!
