Dear Sask Tel Pioneers:

Thank you for your donation to the John Davies Christmas Hamper Program for 2008. Your generous donation of cash and gifts made a big difference in the lives of many families. We provided hampers for 209 family members this year and the extra gifts you provided for the children and adults was a wonderful added surprise to the hampers. It is because of supporters such as yourself and others that make this program a success.

On hamper day pickup we posted a sponsorship board at the door entrance listing all those who supported the John Davies Program. On January 13, 2009 we published a Thank You ad in the Fort Qu'Appelle Times to show our appreciation to all our supporters. We have enclosed a copy of the Thank You ad for you.

Thank you again for your contribution it is greatly appreciated.

Sincerely,

Rob Donison
Executive Director
