Prince Albert SK

In Appreciation

On behalf of all students and staff at The Learning Disabilities Association Prince Albert, I would like to express our heart-felt appreciation and gratitude for the computers you have donated to us in March 2011. We have, in the past years, received a number of computers and this has been invaluable to all staff and students.

We are also truly indebted to you for the interest you have taken in our fund-raising initiatives, through your monetary sponsorships. These funds will help supplement Clinical Reading tutoring costs of children in the K-12 system coming from low-income families. This will make a big difference in the lives of individuals and the community at large.

If there is any way we could publicly acknowledge the contributions you have made to us (in the media, etc.) please contact us at 922-1071 or e-mail me at premaa@sasktel.net.
