Dear Dawn:

On behalf of Purolator and our 11,300 employees, I would like to sincerely thank Sasktel Head Office for its contribution to this year's Purolator Tackle Hunger (PTH) Week campaign. Overall the campaign set a new donation record, thanks in large part to your and your colleagues' efforts.

PTH Week, which was supported by our employees and over 100 customers across Canada, raised over 322,100 pounds of food for local food banks. This represents a 29 per cent increase over last year's results. Through the hard work and generosity of your employees, you have clearly demonstrated your company's dedication to helping support food banks, and the nearly 900,000 Canadians who rely on them each month.

I would like to personally thank all Sasktel Head Office employees who generously participated and made a positive impact in the PTH Week campaign. When two organizations team up to support a cause, it is inspiring to see the difference we can make in the communities where we work and live.

We value your business and truly appreciate your contribution to such a worthy cause.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Coté", with a long horizontal flourish extending to the right.
